" Bringing Hope and Life to the Prisoners "

Dear Hope Partners and Friends,

It is a sad and rejoicing time as I celebrate the home going of my wife Audrey. She and I did everything together and we were rarely apart from one another. We had a memorial service on February 1st at our home church, New Covenant and it really honored the Lord and Audrey. Our brother from the Eastham Unit sent a letter to New Covenant Church stating how much she meant to him and the other brothers (a copy is enclosed in this letter).

If you have had to cut back on the support of our ministry, let me encourage you, as the Lord blesses you to remember the only income our ministry has comes from supporters like you. Our budget has significantly declined in recent months yet we continue to trust the Lord to move His people to support us. Even so, we do so much appreciate all you do.

I want to say a special thanks to my home church for the flowers and catering a meal for our guest and to Pastors Mazz., Brenda, Roger, Don and Jared. I would like to also say thank you especially to my team members and supporters.

Love in Jesus
Pastor Robert Dubois

From the Desk of Sheila Johnson:

To all my brothers & sisters in Christ,

First of all I would like to thank everyone that was able to attend our dear sister Audrey Dubois's memorial service and all the love offerings and prayers given. We are very thankful and grateful. May God continue to bless each of you and may you receive a hundredfold in return. Sister Audrey went to be with the Lord on the 17th of January 2014. We were scheduled to go to Eastham on the 19th. When we arrived at the unit, as we entered the chapel the men were already praying and waiting on us to arrive. They all embraced Bro Robert surrounding him in a circle and began to pray for him. Bobbie Lopez sang "Where Roses Never Fade" and "Serenaded by Angels" and that sparked the fire in Brother Robert so that when he got up to preach the anointing was heavily rested upon him. He couldn't even preach because the Spirit was so heavy. The Spirit was leading him to pray for others in the unit that had lost love one's and couldn't be there for them. The altar was full (1 Cor 4:10 'We are weak but you are strong'). Brother Robert ministered in the strength of the Lord under such a mighty anointing. You knew it was nothing but God. We had several to dedicate their lives back to the Lord. Even in his time of loss he was obedient unto the Lord and showed his dedication to the work of Christ. Please keep him up lifted in prayer.

Love you all in Jesus name!

Gary and I started attending Hope For All In Jesus Prison Outreach – Church on Richie Road in 1983. We started going to the Prisons with Brother Robert at first. The he re-married Sister Audrey and brought her to Texas and into the prisons she went. She loved it and was a blessing to the men. We go to minister but we end up being ministered to, what a blessing. **If you haven't felt JESUS lately go to minister in the jails or prisons you won't regret it. Give Sister Shelia Johnson a call she will take care of getting you into one of the units. (Hebrews 13:3 says: "Remember them that are in bonds, as bound with them.)** It is very rewarding spiritually or at least it was for me and my husband. My husband went to be with the Lord in December of 2011, through the years we have always kept in touch with both Brother Robert and Sister Audrey they are family to us. I have been to the Cleveland Unit with Brother Robert Dubois and Sister Shelia Johnson and have been blessed tremendously.

Dear Sister Audrey encouraged me when I was ready to quit the ministry. Due to her sweet council, I am now a Christian Pianist. I heard her play in the 90's on the Darrington Prison Unit and was able to play for her on the Eastham unit 10 years or so later. What an awesome prison ministry she helped to build with her husband, and our friend, Brother Robert.

Thousands of inmates/brothers will miss her. But we know without a doubt that she is in Heaven playing a heavenly piano the likes mortal ears cannot comprehend and tunes that only angelic voices can sing.

Yes, we will miss her but all the more reason to walk the walk that leads to Heaven.

May God Bless All!

She Loved
by: Joy Powell

Ms. Audrey left this world a much better place because she loved. She loved so many and left a legacy of love behind to bring us joy and comfort in her absence. I was blessed to have known her.

She loved – she loved the prisoners both in the jails and prisons. I had the privilege of working with her for 3 ½ years at the Montgomery County Jail ministering to the ladies there every Friday night. They were “her girls” and she loved them enough to tell them the truth about what was going on in their lives and what they needed to do about it. In the prisons, she loved the inmates and they knew it to. She prayed with and for them all; she cried with them during rough times and rejoiced with them during good times. She loved to talk about the prayer warriors housed in jail and in the prisons.

She loved – she loved her church family. It grieved her to her very core when she was unable to attend. She loved all the activities that were happening at her church. She loved the way they were always reaching out to the teenagers. She loved the choir, the music director and she loved taking them to prison with her and Bro. Robert. She loved the excitement at her church. She loved her pastor.

She loved – she loved her grandchildren. Someone made a bag for her that had all of her grandchildren’s pictures on it. She carried that bag around everywhere she went so she could brag about her grandchildren. Yes, Kathryn, for as long as I can remember, each time she showed a new photo of you I would think to myself how much you have always looked like your grandma.

She loved – she loved her boys. They were the apples of her eye. When she talked about her boys she had such a sparkle in her eyes that nothing else could put there. She was proud of the men they’d grown up to become. She would have fought the devil himself if she needed to for her boys.

She loved – she loved her husband. Oh they argued at times for sure but he was her man. We used to tease about how we couldn’t believe she’d married him...not just once but twice! She loved him and each time he stood up in the pulpit to proclaim God’s Holy Word, she would beam with pride because he was her husband. The way she supported and encouraged him was incredible. She was truly a “Proverb’s 31 wife”.

She loved – most of all, she loved her precious Savior! She loved to talk about Him. She loved serving Him along side of her husband. She loved to play the piano and sing His praises. She encouraged each of us in our daily walk with Him. She wanted more than anything for everyone she loved, everyone she knew, to know and love her Savior. So if you are here today and you don’t know her Savior, if she could speak to you now, she would encourage you to come to know Him and to make Him your Savior now, before it’s everlasting too late. And for those of you who know Him but somehow, your walk just isn’t where it should be, she would be the first one to open her arms wide, hug you and encourage you to do what you need to do to make it right. She was always available to pray or council with anyone who wanted or needed it. She was a precious lady!

Yes she loved...
