“ Bringing Hope and Life to the Prisoners ”

Dear Hope Partners and Friends,

Here we are in April already and it seems like I can't seem to get caught up in the many things that I need to do. Besides going into the prisons many legal things have come up, but the Lord is helping me. I will be going to Roanoke Va. for a second memorial for my wife. She lived there many years with her first husband who died in a truck accident, and that was where I met and married her on 08/02/1974. I will leave here on April 4th and come back on the 8th of April. My birthday is on the 6th; I will be 78 and the memorial is on the 5th. I also want to thank my team members who have been a big help and encouragement as well as Mark Starks and his son and of course my home church. The Lord is moving mightily in the prisons. Many are being saved and many are being challenged to serve the Lord with all their heart. Again, a big thank you to all of our supporters. We know that times are not always easy but it is in giving to God's work that we receive from Him, for we know that the Gospel is the power of God to everyone that believes and because He lives I live also.

Love in Jesus

From the Desk of Sheila Johnson:

To our loving friends and fellow partners: April is already here and I am in anticipation of going to Roanoke, Virginia to once again pay respects to Ms. Audrey, this time in her home town. She had many friends and loved ones there and this will give them an opportunity to say their goodbyes. I trust that you will be praying for Bro. Robert, Jesse Turner and I as we journey there. We have also been made aware of some needs that the Trustee Camp at the Eastham Unit has. They have no equipment to use in their church services. They are in need of sound equipment, musical instruments, etc. If you or your church has this sort of equipment to spare and it can be donated to the Lord's work at that prison unit, please pray about donating those items to meet this need. You can contact me so that I can pass the word along and get those items into the hands of some brothers that really do need them. The Bible says to "let all that hath life and breath praise the Lord. Praise ye the Lord!" It also says to "quench not the Holy Spirit". Also, don't forget to mark your calendars for our next prison ministry meeting on the 26th of April at 6:00 at Betty Hiney's apartment community room. Please contact Ms. Betty at 713-805-8024 to find out what to bring. Please make every effort to attend this meeting. May God richly bless and return your seed sown in this ministry 100 fold in Jesus name. Amen!

Love you all in Jesus name!

Why did Jesus fold the linen burial cloth after His resurrection?

The Gospel of John (20: 7) tells us that the napkin, which was placed over the face of Jesus, was not just thrown aside like the grave clothes. The Bible takes an entire verse to tell us that the napkin was neatly folded, and was placed at the head of that stony coffin. Is that important? You'd better believe it! Is that significant? Absolutely! Is it really significant? Yes!

In order to understand the significance of the folded napkin, you have to understand a little bit about Hebrew tradition of that day. The folded napkin had to do w/ the Master and Servant, and every Jewish boy knew this tradition. When the servant set the dinner table for the master, he made sure that it was exactly the way the master wanted it. The table was furnished perfectly, and then the servant would wait, just out of sight, until the master had finished eating, and the servant would not dare touch that table, until the master was finished.

Now if the master was done eating, he would rise from the table, wipe his fingers, his mouth, and clean his beard, and would wad up that napkin and toss it onto the table. The servant would then know to clear the table. For in those days, the wadded napkin meant, "I'm done". But if the master got up from the table, and folded his napkin, and laid it beside his plate, the servant would not dare touch the table, because the servant knew that the folded napkin meant, "I'm not finished yet." The folded napkin meant, "I'm coming back!"

He is Coming Back!

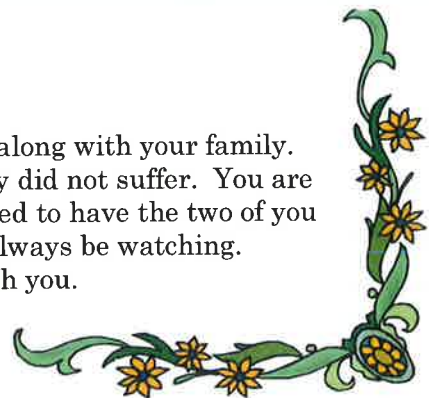

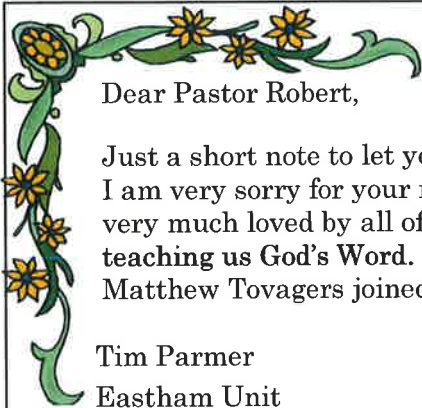

Happy
Easter

Dear Pastor Robert,

Just a short note to let you know that you are in my prayers along with your family. I am very sorry for your recent loss. I pray that sister Audrey did not suffer. You are very much loved by all of us at Eastham unit. We were blessed to have the two of you teaching us God's Word. Come and see us brother, she will always be watching. Matthew Tovagers joined Tim in saying God bless and be with you.
