“ Bringing Hope and Life to the Prisoners ”

Dear Hope Partners and Friends,

I have found it necessary to write things that hopefully will clear some things with our supporters. It is necessitated by the fact that someone has mentioned things to me that I was no longer involved with the ministry and that is the reason we have lost 3 good supporters. First of all, I am still the president, the founder and Executive Director of the ministry and I have been and am very much in charge of the ministry. Secondly, I have just turned 78 years young and if you believe that God has called me and that I am led by His Spirit, then you will know that God spoke to me several years back to get some help as Audrey was no longer able to help me and no man can run a ministry by himself. I sought the Lord for those he would choose to come to help me but everyone I wanted did not pan out for one reason or another. Then after 3 years the Lord spoke to me loud and clear that I was to give the directorship of the ministry to Sgt. Shelia Johnson, now fully retired from the army. She has been with me now several years as a volunteer and now director under me. Because Shelia is a disciplined women and knows how to take orders and give them I have given her authority, which she has never misused, in fact, she has relieved me of a lot of pressure as I was taking care of my wife. Shelia always talks to me about changes that need to be brought about and has never acted in rebellion against me. She is learning well under me and one day when I am no longer able to function, she is my choice to continue the legacy of Hope For All In Jesus Outreach. We now operate as a real good team under the leadership of the two of us and a lot has to do with the good changes that Shelia was able to accomplish. Please receive her as a woman of God. I looked up the word “team” and here are some of the meanings - “1. a group of people working together in a coordinated effort”, “2. to join in cooperative activity”. We are now a team and each one has a part to play and do for the Lord, and we are doing it together. Finally, I would encourage those who stopped supporting to resume gleefully and joyfully, because God loves a cheerful giver. I will not speak on this subject anymore. Our hands are in the hand of the Lord. Finally God's Word says in Gal.3:28 “There is neither male or female in CHRIST”. Read also vs. 26 & 27.

Love in Jesus

From the Desk of Sheila Johnson:

Praise the Lord Saints! Please allow me to take a little of your time as I thank each and every one from the bottom of my heart that responded to the call of our fellow inmates at the Eastham Trustee Camp during their need of musical instruments. They are very thankful and express their sincerest gratitude to each of you that took part in this endeavor. Truly this was a blessing to have received the instruments in such a short time frame. Because you responded so quickly they were able to sponsor their first outdoor musical on the 19th of April. We called and you answered and that's what it's all about - helping others in need as we further this gospel of Christ. If you would like to go into prison with us, please call me and let me know! You never know what the Lord will open up in your heart! Thanks again and may the Lord continue to bless each and every one of you.

When God Made Moms

By the time the Lord made mothers, he was into his sixth day of working overtime. An Angel appeared and said "Why are you spending so much time on this one"? And the Lord answered and said, "Have you seen the spec sheet on her? She has to be completely washable, but not plastic; have 200 movable parts, all replaceable; run on black coffee and leftovers; have a lap that can hold three children at one time and that disappears when she stands up; have a kiss that can cure anything from a scraped knee to a broken heart, and have six pairs of hands."

The Angel was astounded at the requirements for this one. "Six pairs of hands! No Way!" said the Angel. The Lord replied, "Oh, it's not the hands that are the problem. It's the three pairs of eyes that mothers must have!" "And that's just on the standard model?" The Angel asked. The Lord nodded in agreement, "Yes, one pair of eyes are to see through the closed door as she asks her children what they are doing even though she already knows. Another pair in the back of her head to see what she needs to know even though no one thinks she can. And the third pair here in the front of her head. They are for looking at an errant child and saying that she understands and loves him or her without even saying a single word."

The Angel tried to stop the Lord. "This is too much work for one day. Wait until tomorrow to finish." "But I can't!" the Lord protested, "I am so close to finishing this creation that is so close to my own heart. She already heals herself when she is sick AND can feed a family of six on a pound of hamburger and can get a nine year old to stand in the shower."

*The Angel moved closer and touched the woman, "But you have made her so soft, Lord." "Yes, she is soft", the Lord agreed, "But I have also made her tough. You have no idea what she can endure or accomplish." "Will she be able to think?" asked the inquisitive Angel. The Lord smiled and replied, "Not only will she be able to think, she will be able to reason, and negotiate." The Angel then noticed something and reached out and touched the woman's cheek. "Oops, it looks like you have a leak with this model. I told you that you were trying to put too much into this one." "That's not a leak," The Lord objected. "That is a tear!" "What's the tear for?" the Angel asked. The Lord said, "The tear is her way of expressing her joy, her sorrow, her disappointment, her pain, her loneliness, her grief, and her pride." The Angel was impressed. "You are a genius, Lord. You thought of everything! Truly, You do all things well...
Moms are truly amazing!"*

Happy Mother's Day!

HAPPY BIRTHDAY

No, it's not really anyone's birthday that I know of. We just wanted to ask all the team members to call Ms. Helen Prien and give her your birthdate. She is really a sweet lady and this will give you the opportunity to talk with her a few minutes. Her phone number is 720-244-7635. Y'all have a Happy, Happy Birthday! (whenever it is!)

MOST NOTEWORTHY-----

Just a brief update: Last month we requested donations of some sound equipment and musical instruments for the brothers at the Eastham unit because they had none. We had a musical service with them on Saturday, April 19th. They have received sound equipment including microphones and CD players as well as musical instruments! Praise the Lord for another need met!

Praise the Lord!!

Hello. My name is George R. Powell. I am a team member of Hope For All In Jesus Prison Ministry. My wife and I have been with this ministry for about 15yrs. God has called us, you and I to be in this world that He loves so much, working, not just setting around, waiting for God to call us. He has already called us when we received Jesus as Lord of our Lives. John 6:47 says "Whoever believes in Him has eternal life." That tells me that there is no exit for the Christian. So I ask you where are you on this road of life? Joy and I go to Unity Baptist Church in Porter, Texas. Our church knows we go in to prisons. I have been blessed to pray with some men with tears in their eyes as they receive Christ and with believers who just want to let their loves ones know that they know Jesus. Hey God has allowed us this chance in time to be the Man and Women of God. God is moving and it doesn't matter if you or I are there. His will be done with you and I or without us. I love God! This ministry can use your help. God will bless you more as you are willing to be a bigger part of His work. We have this door that is open for now to share Jesus to the unbelievers in prison. It takes all kinds to reach all kinds - come and see.

I would like to ask that all members please try with all your might to be at the ministry meetings. We have information to put out and also this is the time we meet and make decisions for future dates and events that the ministry will be involved in. No one is excluded as we make sound decisions so we ask that all please be present because we are a team, everyone is important and needed to continue successfully in this ministry. As we say in the military NO MAN LEFT BEHIND!!!!!!!!!!!!!! Thanks to all of you for allowing me to be a part of this ministry and it's growth in Jesus Christ. Amen!!!!!!

Shelia Johnson
