

Dear Hope Partners and Friends,

We have been having good services in the last few months; on July 21st we went into the Eastham Unit. The altars were filled with men coming to the Lord and backsliders returning. We had the same thing happening at the Cleveland Unit and the Estelle Unit. God is at work mightily in the prisons.

With this month's newsletter, I want to start sharing scriptures and messages that will minister to those receiving it. I hope you enjoy it.

In 2cd Corinthians 5:17 the Bible says "Therefore if any man be in Christ, he is a new creation; old things are passed away; behold all things have become new".

The word "new" as described in Webster's Collegiate dictionary means that "it never existed before', made or produced. Jesus made us someone new that never existed before and old things of the flesh passed away. That when you are born-again you exist as the new man, that why the Lords says we overcome the devil and his temptation by the "Blood of the Lamb and the word of your testimony; and they loved not their lives unto the death" Rev. 12:11. Now because we are new creations, forget the past because you can't go forward looking at the past that has been forgiven and no longer exists in God's eyes.

God bless you!
Pastor Robert Dubois
With greetings from Sister Audrey!

P.S. As you can see the new Director is a good organizer and she has Joy Powell doing the newsletter in color. Because it is so expensive to do our letterhead, envelopes and newsletter in color, Audrey, Sheila and myself have come to an agreement. In the long run it would be cheaper to buy a new color copier/printer which runs up in cost to \$5,620.00. We have, instead, agreed to purchase a color copier for \$4,500.00 which we need to raise immediately or as soon as possible. Therefore we are looking to those of you who could send a large amount to help up pay in cash for this copier, as we are out of debt and we will stay that way.
