"Bringing Hope and Life to the Prisoners"

Dear Hope Partners and Friends,

I just returned home on the 29th of September and writing this on the 31st to get it out in time. Also just returned from Diboll Texas as we went to the Duncan Unit of TDCJ there and saw folks challenged to receive the Lord as we also challenged Christians to serve and love the Lord with all their heart mind and souls. I told them that we are not of this world and our mind should be on the Lord and the kingdom to which we belong. We also prayed for the sick. John Earl and Shelia Johnson sang and really ministered to the men as well. I thank God for them and our ministry team. We are reaching out to churches to share our prison ministry with them and the Lord is opening up many doors for us. We go into any churches, bring some of our ministry team who sing, Shelia Johnson and I share the ministry and I preach the Word with the pastors Ok! I do not contradict a church belief, as to show respect to them. We are also planning on getting more volunteers and more prison units to go into. Part of my vision is to get a ranch and a lot of property to take in men and women coming out of prison and help them in the Word, get a trade having people to teach several trades, etc. Third phase would be to build an apartment complex that will take in families of incarcerated men and women while their loved ones are in prison and also help them to find work, which would necessitate us to have a nursery to take care of the workers children. The VISION IS VERY BIG, BUT WE SERVE A VERY BIG GOD! Monthly support is also much needed and God will use a willing people who have themselves experienced the forgiveness of sins to become God 's child. GOD CAN AND WILL USE YOU IF YOU WILL LET HIM! THANK YOU AND GOD BLESS!

In the love of God,
Pastor Robert J. Dubois

Praise the Lord Saints, God has allowed us to see another day and for that we give him praise. I pray that all is well and that your light still shines that men may see your good works. I thank God and each and every one of you for all that you do. I would like to remind everyone to please remember that the newsletter is full of information as to what the ministry is doing and how we are advancing in the Kingdom of God doing his work which is to spread the Gospel in the prisons. We really need your help and support in building up this ministry with team members that will work whole heartily in unity and love with us as we take the Gospel of Christ to the incarcerated. Please pray that the Lord will show you how to be a more of a blessing in support of this so needed ministry. (Mark 16:15) I love all of you and pray that God continue to bless and keep each and every one of you.

In Christ,
Shelia Johnson

Go, Go, Go; the Bible says to go, To every land till every man, boy, and girl shall know, That Jesus died on Calvary's tree, to bring to all salvation free.

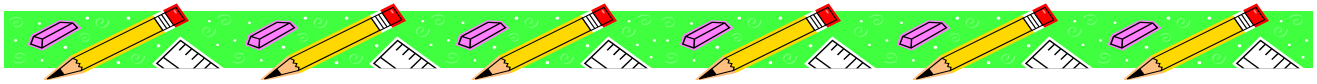

Oh, who will go? Oh, Will You Go?

Pray, Pray, Pray; the Bible says to pray, that reapers brave may harvest save, lest souls should die today. That boys and girls who never heard, be plainly told the blessed Word.

Oh, who will pray? Oh, Will You Pray?

Give, Give, Give; the Bible says to give, your service true and money, too, that boys and girls may live. How much to give? With open hand, for Jesus' sake, give all you can.

Oh, who will give? Oh, Will You Give?

Greeting to you all.

Hello brother, my name is Michael Bain and I'm currently here at the E** Unit going on two years now. I had the great privilege to be a part of Kairos and it really helped me by giving me a great understanding and a stronger relationship with our God.

Before I got arrested I was way out there, I was shooting dope in my veins and robbing people to get my supply. I was so deep in my sin. I was just drowning in my misery. And I didn't want to do the things I was doing, but I couldn't stop.

It was a dangerously and potentially fatal rollercoaster ride of Russian roulette. God was the only one who had all the power to change me, I didn't! I just didn't know it! So my sin made me do things I didn't want to do, it took me places I didn't want to go, and it's kept me far longer than I was willing to stay.

To say I've been living on borrowed time would not merely a cliché but also an understatement. My entire life has been a heavily mortgaged enterprise. Like all of us foreclosure eventually will come. None of us ever to know when we'll receive our notice in the mail so if you have not given your life to Jesus yet, there's truly no better time than now. He is the key and the only way to make into eternal life in heaven. So make your choice because the postman will come. Focusing on helping others, this will make your time in here a lot easier.

Strive to honor Christ by living a life full of good works. (Colossians 1:10). The word says, we should study to show ourselves approved unto God, a dividing of the word of truth.

Brothers, I will continue to lift you brothers over there at the E* unit in my everyday prayers. I hope you will keep me in your prayers too...we are never alone. Walk by faith.

Your brother in Christ,
Michael Bain
