

Dear Hope Partners and Friends,

Time seems to wait for no man, here we are already in November and the Lord is still using us to win souls and see the backsliders make Jesus the Lord of their life. We have been to many units and have seen souls saved but one unit I'd like to tell you about is Diboll we seen 1 man saved, backsliders return to the Lord and others healed. One in particular had two knee problems and his ankle was in bad shape. I prayed over him using that wonderful name of Jesus and he ran in the building to show he was healed and others had pain leave them. Shelia and John Earl also laid hands on some of the men as well. God is using our team tremendously we have had a lot of good things happen to us. Someone gave the ministry \$10,000.00 toward a fifteen passenger van for the ministry. We still need somewhere around another \$25,000.00 at least to be able to purchase it. We have gotten the ministry out of debt and don't want to borrow money to pay for the van, however our regular budget really needs more givers so we can do all the things that we have been called to do. We will be holding our 34th annual Christmas banquet Saturday Dec, 6th at my home church. All information including how to get your tickets is listed on another page in this newsletter. We appreciate all our regular givers and we praise God for you. We love you and pray for you and thank God for you.

In the love of God,  
Pastor Robert J. Dubois

I pray that you and your family are doing well. I am reiterating how thankful I am for each and everyone of you. May the Lord continue to shine his light upon you. Up to the minute news; We had our last ministry meeting for this year. We missed all those who were unable to make it and pray all is well with you and family. We added additional offices. Gail Whiteman is our new Event/Planner Coordinator. Helen Prien takes care of the birthday's. John Earl - Pen Pal contact Person. We also scheduled a time the first weekend in April for Hope For All In Jesus as a family to just kick back a night and day of fun and relaxation in Spring, Texas. We have 4 fun raising events scheduled in 2015: two barbecues and two concerts. These dates will be given soon. Reminder: Some of you may not know but Bro Robert will be spending Thanksgiving with his son and daughter in law in PA. Pray that he have a safe trip there and back. Remember God loves you and so do I and there's nothing you can do about it. Have a Blessed Thanksgiving and share the love of God with someone who has no one.

Love you all in Jesus name!  
Shelia Johnson

### A Great Lesson on Stress

A young lady confidently walked around the room with a raised glass of water while leading a seminar and explaining stress management to her audience. Everyone knew what she was going to ask the ultimate question, 'Half empty or half full?'

She fooled them all. "How heavy is this glass of water?" she inquired with a smile.

Answers ranged from 8 oz. to 20 oz. She replied, "The absolute weight doesn't matter. It depends on how long I hold it. If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm. If I hold it for a day, you'll have to call an ambulance.

In each case it's the same weight, but the longer I hold it, the heavier it becomes." She continued, "And that's the way it is with stress. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on."

"As with the glass of water, you have to put it down for a while and rest before holding it again. When we're refreshed, we can carry on with the burden - holding stress longer and better each time we practice.

So, as early in the evening as you can, put all your burdens down. Don't carry them through the evening and into the night. Pick them up again tomorrow if you must.

Jesse Lee Turner

One day I saw a boy with rags  
for clothes and little hope of  
a decent meal.

I became angry and said to God:  
"Why did you permit this?  
Why don't you do something  
About it?"

For a while God said nothing.  
That night  
He replied quite suddenly -  
"I certainly did do something  
About it..."

I made YOU!"

### Silent Night

It was Christmas Eve in the Austrian Alps. At the newly constructed Church of St. Nicholas in Oberndorf, Father Joseph Mohr prepared for the midnight service. He was distraught because the church organ was broken, ruining prospects for that evening's carefully planned music. But Father Joseph was about to learn that our problems are God's opportunities, that the Lord causes all things to work together for good to those who love Him.

It came into Father Joseph's mind to write a new song, one that could be sung organless. Hastily, he wrote the words, "Silent night, holy night, all is calm, all is bright..." Taking the text to his organist, Franz Gruber, he explained the situation and asked Franz to compose a simple tune.

That night, December 24, 1818, "Silent Night" was sung for the first time as a duet accompanied by guitar... Were it not for a broken organ, there would never have been a "Silent Night."
