"Bringing Hope and Life to the Prisoners"

Dear Hope Partners and Friends,

"O give thanks unto the Lord, for He is good; for His mercy endureth forever". I am excited about the things that God is doing through our ministry team which continues to grow steadily. We have added a third service at the Eastham Unit they; have a new chapel which was built in the gym and it holds over 300 inmates and the old chapel is being used now for what they call the South side, the gym for the North side and the trustee camp. We have been at that Unit several times this month and the meetings all fill up. We had some saved, backsliders sell out to the Lord, some healed, and the Lord has me pray for those who recently lost a loved one while in prison as they cannot go to the funerals and I understand what it is like now to have lost a loved one. Of course I have anointed singers, and some of our team share a word of encouragement to the prisoners, which makes for a complete service of love, which is the greatest thing that draws them to the Lord. Those of you who receive this newsletter have a wonderful part you can have by financially and prayerfully supporting this ministry. This ministry has existed for 32 years by faith and that's the way we will continue to go on. However God has called an army of saints to accomplish his work and without you doing your part the work suffers and you could be missing out on God's blessings. We are also in need of a new 15 passenger van as our team is growing and my van has 166,689 miles on it. All prisons are way out in the sticks except 2 in Huntsville that is in the city itself. We are also over \$10,000 short since the beginning of the year and we could use your support. If everyone receiving this could send from their heart, we would never get behind. We are so appreciative for all our supporters and we pray that the Lord blesses each of you abundantly for your sacrifice! We love all of you!

Love in Jesus

From the desk of Shelia: As you may know we have been trying to involve other churches in the prison ministry by sharing what God is doing and how He is changing the lives of many in the prisons. We are praying that God would touch the hearts of others with the desire to work in the prison ministry.

An invitation has been extended from The Lords' Chapel (Pastor David and Ava Muck) in Splendora, Texas on Sunday June 1st, 2014 at the 1000 am service to Hope For All In Jesus Prison Ministry to share the ministry. We have been given the whole morning service. All Hope For All In Jesus members are invited to please come out and join us if at all possible.

"What we need is not more Christianity in books, but more Christianity in boots".

God Bless!

WHAT IS OUR HOPE

Salvation is the process of passing from death to life. It is not just something Christ did for you. It is Jesus Christ himself living in you. We can't live the Christian life, only Christ can through us. That is why Jesus Christ came not only to get men out of hell and into heaven, but to get himself out of heaven and into men. Rejoice! Once you were dead, but now God has made you alive together with Christ. Christ in you is your only hope of glory. Col.1st27, 1 John 5:11-13, Ps. 107: 20.

Buttprints in the Sand

One night I had a wondrous dream,
One set of footprints there was seen,
The footprints of my precious Lord,
But mine were not along the shore.
But then some strange prints appeared,
And I asked the Lord, "What have we here?"
Those prints are large and round and neat,
"But Lord, they are too big for feet."
"My child," He said in somber tones,
"For miles I carried you along.
I challenged you to walk in faith,
But you refused and made me wait."
"You disobeyed, you would not grow,
The walk of faith, you would not know,
So I got tired, I got fed up,
And there I dropped you on your butt."
"Because in life, there comes a time,
When one must fight, and one must climb,
When one must rise and take a stand,
Or leave their butt prints
in the sand."

THE "WHITE LIE" CAKE

Alice was to bake a cake for the church ladies' group bake sale, but she forgot to do it until the last minute. She baked an angel food cake, and when she took it from the oven, the center had dropped FLAT!

Oh dear, there's no time to bake another cake. So Alice looked around the house for something to build up the center of the cake. Alice found it in the bathroom.... a roll of toilet paper. She plunked it in and covered it with icing. The finished produce looked beautiful, so she rushed it to the church.

Before she left the house, Alice had given her daughter some money and specific instructions to be at the bake sale the minute it opened, to buy that cake and bring it home.

When the daughter arrived at the sale, the attractive cake had already been sold. Alice was beside herself.

The next day, Alice was invited to a friends home where two tables of bridge were to be played that afternoon. After the game, a fancy lunch was served and to top it off, the cake in question was presented for dessert.

Alice saw the cake, she started to get out of her chair to rush into the kitchen to tell the hostess all about it, but before she could get to her feet, one of the other ladies said, "What a beautiful cake!" Alice sat back in her chair when she heard the hostess (who was a prominent church member) say. "Thank you, I baked it myself."
