

Dear Hope Partners and Friends,

Good evening everyone, I hope everyone made it through all the fire works on the 4th of July with no injuries. Last month was a very busy month. We went to four prisons that we normally attend. Brother Robert also was blessed to minister at the Joe Keagan State Jail. We also went in with the Gospel Blimp to Plain State twice so it's been a busy month. The Gospel Concert at the Eastham Trustee Camp was a success and truly a blessing. We are still seeing souls come to Christ in the prisons and backsliders returning to God. Brother Robert had a garage sale and was able to sell quite a few things he no longer needed. He also has a new addition to his family. His name is Max and he's a bundle of excitement and joy and really has taken a lot of his energy. That's why he is not writing at this time; he has decided to sit this one out. Prayerfully he'll be back next month if Max allows him to. ☺ We appreciate all of our supporters and pray for them fervently. Please read your newsletters and mark your calendars for up coming events. We are still in need of more volunteers. If anyone knows someone that wants to come into the prisons with us please contact me.

NEEDS OF THE MINISTRY:

The ministry needs a brand new 15 passenger van. We have received a \$10,000 donation towards the purchase price and while we are grateful to the Lord for that, we still need at least another 25 – 30,000 dollars to get the van including TTL & insurance, etc. Also we need about 100 acres of property to build the ranch for male and female prisoners and an apartment complex to help the families of inmates that are in prison. We intend to provide job training for mechanics and etc. This will also include a clinic. Please pray with us about these ministries.

Bro. Robert has decided not to sell his house. He will continue to live in the home he bought with Sis. Audrey.

I am in need of some folks to help me out with this newsletter. If you have anything you'd like to see put into the newsletter, please forward it on to me at joylavelle@yahoo.com. It would be greatly appreciated! Thanks in advance!

When I was growing up
I was taught The Golden Rule
We said the Pledge Of Allegiance
Every day in school

We always seemed to get along
Not because of what we did
But because we had our Father
Watching over His kids

Now the courts have spoken
We are wrong in what we do
We can't say we're under God
We might offend a few

Our kids can't pray in school
We can't pray at football games
I don't bow my head in prayer
I hang it down in shame

It hasn't been that long ago
On a bright September morning
When our world turned upside down
It could have been a warning

I thought that day had brought us back
To where our founders trod
We joined our hands and prayed
One Nation Under God

When a nation turns from God
It will surely fall
His love will turn to anger
The Bible tells it all

I am proud to be an American
With God I'll take a stand
We would not be here today
If He weren't holding us in His hands
