

Dear Hope Partners and Friends,

We thank God that we were able to get our new ministry van, (photo included in newsletter) although I was hoping to pay cash for it so we would not have to pay interest on a note, it didn't work out that way. However they let us have the van with no down payment with good warranty of 100,000 miles and other good coverage; our payments will be high. I am hoping that we can get all the money we need to pay it off as soon as possible. If you would like to contribute for the van please note that on your checks so we will know where to put it. Now we can sit at least 15 people at a time and you will see from Shelia's note that it arrived just in time for the traveling we will be doing. Many people were saved last month and many backsliders returning to the Lord, they needed to go to prison to be convicted of their sins. The devil meant it for harm but God worked it out for good. We are thankful for your prayers and for your giving, and we trust the Lord will speak to your hearts about getting a hold of this vision to bring people to Jesus and change lives. Some of you that have come out of prison and receive this newsletter, I would appreciate you sending us your testimonies of how long you have been out and how you are serving the Lord. We can use them in every newsletter so people will know God is working in the prison ministries!

Love Everybody and keep serving JESUS!
Pastor Robert Dubois

To all Prayer Partners and Friends:

Thank you for all your prayers and support to this prison ministry. We do not take any of you for granted and appreciate each and everyone of you dearly. I am petitioning all to please pray that God will release finances for the ministry and also send more laborers for the vineyard. Ladies you have been waiting to minister in the women prisons, well your prayers have been answered. So far we have received two new prisons for 2017. One of the prisons is Gatesville Women Facility. We need ten (10) to fifteen (15) team members to cover all that area. Also, we will be doing a crusade in one of Dayton Womens Facilities and we need musicians and singers so that we don't burn out the team members we already have. So please pray that the Lord will send more laborers for the vineyard.

Love you all in Jesus name,
Amen! Amen! Amen!

My experience at the Eastham Unit was a blessing beyond measure! God moved in a mighty way. I imagine it was over 350 men there in the chapel. Many came for healing and other things in their lives. Some even accepted Jesus Christ for their Lord and Savior. And I thank God for that. You know **everyone needs Jesus!** But a person **must want Him.** Pastor Dubois and Sister Shelia Johnson brought the Word of God and sung. It was truly a blessed service. -Bro. John Earl

Wanted – A Worker

God never goes to the lazy or idle when He needs men for His service-

- Moses was busy with his flocks at Horeb.
- Gideon was busy threshing wheat.
- Saul was busy searching for his father's lost sheep.
- Elisha was busy plowing with twelve yoke of oxen.
- Amos was busy following the flock.
- Nehemiah was busy bearing the king's cup.
- Peter & Andrew were busy casting a net into the sea.
- James & John were busy mending their nets.
- Matthew was busy collecting customs.
- Saul was busy persecuting the friends of Jesus.

A Prayerful Response to Tragedy

by Bill Glass of Bill Glass Prison Ministries

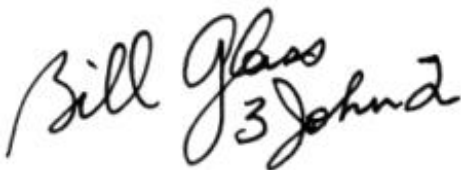

I have been pleased to see how many friends are anxious to do something about the violence in Dallas. It is really hard to put your finger on how best to help. I offer a few thoughts to you our valued partner in ministry as to ways you might help. Possibly you could select a police officer to befriend. That alone would be a great step forward. If you find yourself in a restaurant where officers are present, you could do as I have done and purchase their meal as an expression of your gratitude for their service. At the least, you might consider introducing yourself to an officer and verbally thanking him or her for sacrificially providing an often thankless service. However, if you could do both that would be great!

At a time when the racial divide has never been more apparent, perhaps building a bridge between the various races is even more important. As believers we have so much in common, skin color shouldn't even be a consideration. You may be asking how we can transcend this racial divide. A good start might be to build a bridge of honesty. As we begin to recognize and celebrate the many things we share in common, racial differences should not even enter into our conversation. In fact, we must admit that allowing such a divisive focus on race is sinful.

Think of the potential impact of a blessing shared with a policeman or with someone of a different race by the 40,000 plus partners of our ministry. Who knows? It just might be the first step of progress in solving the great problems facing our country and society.

In Him as always - with Love,

(I received this in an e-mail from Bill Glass Prison Ministries today and thought I'd share it with you.)

In God We Still Trust
By: Diamond Rio

You place your hand on His bible when you swear to tell the truth.
His name is on our greatest monuments and all our money to.
And when we pledge allegiance there's no doubt where we stand!
There's no separation, we're one nation under Him!

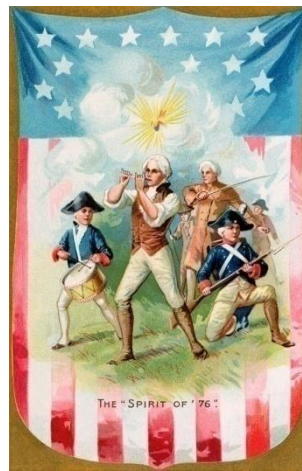

Now there are those among us who want to push Him out
And erase His name from everything this country's all about.
From the school house to the court house they're silencing His Word
Now it's time for all believers to make our voices heard!

In God We Still Trust, here in America!
He's the One we turn to every time the going gets rough.
He is the Source of all our strength, the One who watches over us.
Here in America, In God We Still Trust!

Dear Hope for All in Jesus Prison Outreach,
I have just recently read a copy of your newsletter. I believe it was back-dated to August of 2014. I seem to think that y'all had been to our unit this past Sunday for I am on medium custody and can only attend Christian service on Sunday afternoon. Because of my pain I have had to lay down my job in the unit kitchen and I am not able to attend any of the eight religious classes that I was attending as a G-three. Now I am a G-four and only attend Saturday Sabbath Services and Sunday afternoon services. I cannot even attend A.A. "classes". I have been in recovery for over fifteen years with six years of continual sobriety. For this I thank my Higher Power and the program for aligning my will with that of His Will. Please, if you would, send me a copy of your monthly newsletter.
Through His Grace,
Matthew

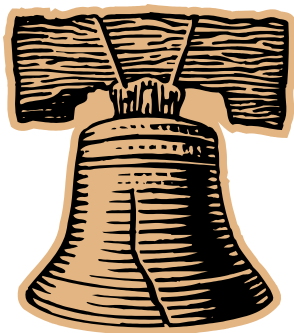

The 4th

Like a moment that could've never been
We inhabit a country bought with blood of men
And we're free one and all with liberty
In a great land from sea to splashing sea

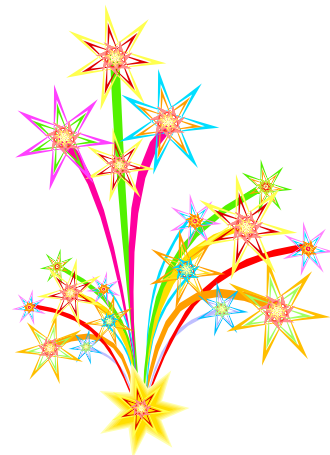

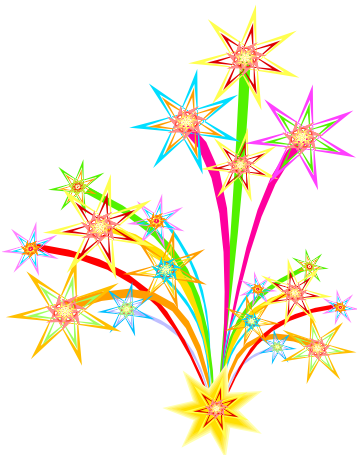

The Divine goodness of God delivers our bread
With music and laughter and strength for our head
And for this country we fight with a great might
In brothers and fathers our enemies find fright

A soldier alone in battle is in the heart at home
Many may fall to the right, to the left, but their blood is our stone
The ground on which we stand with arms in hand
For our Divine has granted us this blessed land

Be thankful for this 4th day to remember and celebrate
With loud fireworks, laughing, singing, and a full plate
Let our festivities blot out our enemies
For by God's hand and blood of man we're free with liberty
