

Dear Hope Partners and Friends,

The Lord has really been moving in the prisons as we went into the Estelle Unit and we saw 4 men get saved and several others backsliders come to make Jesus the Lord of their lives! The meeting was fantastic as the prison choir sang some praise and worship and we had Joy Powell and John Earl to sing. Also a special guest speaker Pastor Leonard Ventress who has joined our ministry preached. Then the very next day we went into the Cleveland Unit and the Lord spoke to me about preaching on healing and then minister healing to the men. Again the mens choir opened with a worship song and John Earl and Ray Felder ministered in song. Ray also played the keyboard and when I came up to preach they began to play Hallelujah with everyone singing bringing down the Glory of God. I ministered healing along with the 5 team members who came with me, and we prayed and laid hands of every inmate in there. Men were weeping and kneeling as the PRESENCE OF GOD was so STRONG. Folks God is on the move and those who God is forgiven much, loveth much. A real turn around. I want to encourage you to have a part in this ministry by supporting us with prayer and finances. We need more regular monthly supporters, and support in paying for our new ministry van, without which we would not be able get to the prisons. Ask the Lord what He would have you do. We are now in preparation for our Christmas Banquet that will be held on Saturday December 3rd at my home church New Covenant 901 Wilson Rd. Humble, TX. next to High and Middle Schools. The Price will be \$20 each and \$39 per couples. You will be able to get tickets by writing us at P.O. Box 2493 New Caney, TX or getting them at New Covenant Church. Thank you for all you do to be part of this ministry!

Love in JESUS!
Pastor Robert Dubois

Hello to all,

As you may know September we were in a one month tent revival in Brazoria, Tx. The Lord truly moved and confirmed that we are in His will and placed His stamp of approval on it. We had two souls to come to Christ. We were able to find favor with God and new family members in the Lord. Please continue to pray for us and consider joining in with us to bring others to the Lord. I love and most important is Jesus loves you more.

I love you with an agape love.

You'll never know until you go!

When attending, be sure to allow ample drive time to each unit. Time shown here is actual start time of each meeting.

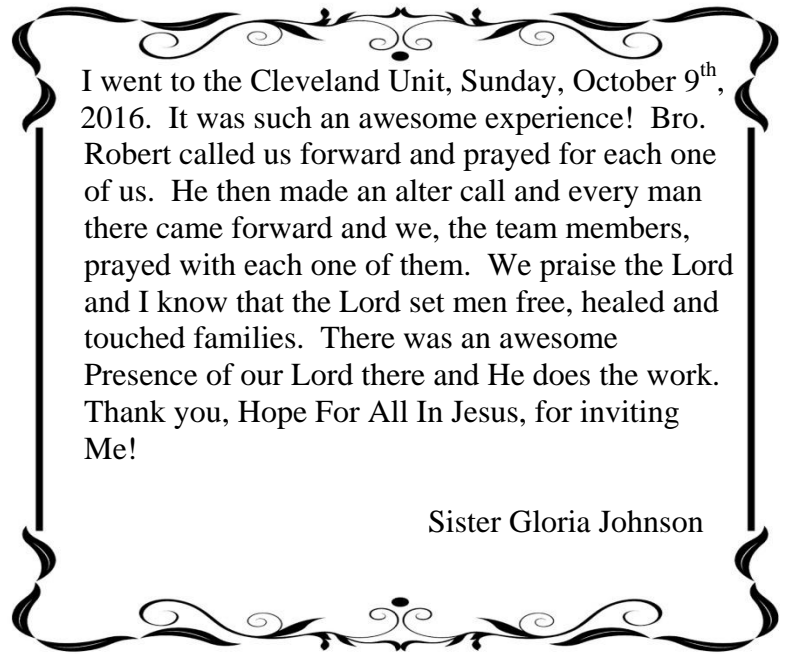

I thank the Lord for being invited to go to both the Estelle Unit and the Cleveland Unit! It was a great experience! The service at the Cleveland Unit was awesome! God's presence was so strong and as we prayed for the needs of those men words cannot express what happened. I truly believe we will hear testimonies of what the Lord did on this day, the 9th day of October, 2016. God Bless all of you!

Pastor Mozelle Sparks

I went to the Cleveland Unit, Sunday, October 9th, 2016. It was such an awesome experience! Bro. Robert called us forward and prayed for each one of us. He then made an alter call and every man there came forward and we, the team members, prayed with each one of them. We praise the Lord and I know that the Lord set men free, healed and touched families. There was an awesome Presence of our Lord there and He does the work. Thank you, Hope For All In Jesus, for inviting Me!

The Work's Not Finished

Jesus wept for souls in anguish as He walked His earthly path.
Souls today in sin do languish and will face Gods holy wrath.
They rush headlong to their disaster not giving heed to right or wrong.
Their descent is ever faster as they follow Satan's siren song.
They're like sheep who have no shepherd on the hillsides scattered there.
Or the lonely, helpless leper who has no friend on earth to care.
Two thousand years ago the Savior assigned to us salvation's plan.
That we should speak each to our neighbor and cross seas to foreign lands.
There is no hope unless we reach them and God's Word to them impart.
For no one else will try to teach them. Let's pray God will break our heart.
The Gospel plan tho' borne the furtherest, still has not reached the uttermost.
The fields of grain still white to harvest; of mission finished we can't boast.
We cannot rest. We must not falter. We must never cease to cry.
Let's lay ourselves upon the altar and reach the lost before they die.
The Lord's command has not diminished. Too many souls in darkness grope.
Oh, no, my friend, the work's not finished. We may be their only hope.

Ed Williamson

Then said Jesus to them again, Peace be unto you: as my Father hath sent me, even so send I you.
