HAPPY FATHERS DAY

From the desk of Chaplain/President, Shelia Johnson

What IS Your Life?

Consider this; every day we live is another gift to us from the gracious will of God who holds our lives in the palm of His hand. Everything we have, or ever will, accomplish in life should find us giving credit and glory to God; and not boasting about what we have done on our own. After all, what is my life but a mist that rises and vanishes away? If there is any good thing that you and I should be doing with our lives we had better do it while we have the chance, because tomorrow is not promised!

Is there some good deed you have been intending to do, but time and the pressures and circumstances of life kept pushing it to the back burner? Have you been intending to volunteer some time in an area where your involvement could make a difference? Have you been planning to donate to some worthy cause that badly needs that financial gift you have been planning to give but have never gotten around to doing so? Is there a broken relationship you have been meaning to restore with a word of apology or a show of forgiveness on your part? Is there some good that you know you should have done by now, but you kept telling yourself that you would get around to it soon – later – after a while – as soon as you get a certain project out of the way, and so on?

Let's focus now on the things of God and the life of the soul. Have you been meaning to spend more time in prayer and Bible study? Were you planning to start giving more of your income to the work of the Lord? Were you wondering whether your salvation was secure since your relationship with Christ was so erratic and irregular? "I am going to join the church," someone says to himself as soon as he can get around to it. "I know I should join the choir or some other auxiliary," says another busy soul; and I will just as soon as I get a few more things in order.

Does that sound like anyone here today; telling God what you are going to do for God after you have done everything that needs to be done for yourself? "Yes, Lord, I will take care of your business just as soon as I have taken care of mine." Who are we and what are our lives that we should put off until some future date, sometimes a distant date in the future, actions we should have taken care of yesterday? We are a mist that rises and vanishes away. We are a puff of smoke that is here one minute and completely gone the next.

(Isa 40:6-8; 1Pet 1:24) All flesh is like grass and all it's glory like the flower of grass. The grass withers, and the flower falls, but the word of the Lord remains forever.

"The teaching of the wise is a fountain of life, to turn aside from the snares of death." Proverbs 13:14

It is a sin, says James, to know the good things we should be doing but not doing them because we are putting them off for a later time. Perhaps this anonymous poem which seems to fit this moment and this message will bless you.

*I have only just a minute,
Only 60 seconds in it;
Forced upon me, didn't choose it,
Didn't seek it, can't refuse it;
So it's up to me to use it,
Have to suffer if I lose it,
Pay a price if I abuse it.
Just a tiny little minute,
But eternity is in it.*

What is my life? It is a mist that rises and vanishes away. It is frail and vulnerable. It is not me that keeps my life going; it is the God within me and the God around me and the God beneath my feet.

Thank you, Lord, for reminding me and allowing me to remind others that without you I can do nothing. Finally, thank you for reminding me that "I can do all things through Christ who strengthens me."

Learn a lesson from James and have the humility and the honesty to declare; "I've come this far by faith, leaning on the Lord, trusting in His holy word; He's never failed me yet?"

Thank you, Lord,

"Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God." Phil 4:6 (KJV)

PRISON VISIT REPORTS

Estelle unit On May 1st, 2022, Dan Groves came and joined the men for 10:30am gathering of 64 men in the first service and at 12:30pm with 260 men. The Worship band and choir led the congregation in praise & worship. Afterward, Dan brought a message entitled: WHO ARE YOU IN TEN YEARS. I gave my testimony of 10 years and showed them in several verses how God sees us in 10 years, and how to see ourselves as God sees. We had a time of prayer and fellowship with many of the men between services & after. I saw break throughs and excitement in the men.

In Jesus, DPQ

Ramsey unit, On May22nd, John Hammond, Dan Groves, and I (Shelia Mitchell) went to the Ramsey Unit for the 9:00am service which is the Church of Christ service. We were not scheduled for that service, but we were welcomed to stay. So, they ministered to us as they gave the word, and 12 men came up for prayer. We ministered at the 10:30 service and Femi, a Nigerian minister gave a blessed word and the men enjoyed it. Then John introduced us and then called on me to give a little testimony of how I started in the ministry and shared a story of how three lions came out of nowhere to save some missionaries. Then Dan spoke and gave a word from The Lord for the men of this unit, and everyone rejoiced. Finally, John gave a very blessed sermon by the name “The Book of Life” Rev. 20. God used the message to touch and bless the men. 15 men came up for prayer and then kept coming up after asking John to pray for them. He is a Good Father.

Editors Note: Husbands, love your wives, as Christ loved the church and gave himself up for her, that he might sanctify her, having cleansed her by the washing of water with the word. **Eph 5:25-26**
 Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.

Yahweh To Holiness Tent Revival!

Dear friends and partners, Praise the Lord! I thank God for using such mere vessels as us to accomplish such powerful things in the lives of his people. Thank you God for what you have done during this 21 day revival. Some may not understand or see what God has done and is doing because of obedience. God has done some mighty things in the lives of his people under the tent. If only you can hear the testimonies. That's why it is so important to be obedient and do what He tells you to do, then watch Him work. We had a hallelujah time praising the Lord for 21 days under the tent of Yahweh to Holiness one month's tent revival. We closed it out Sunday with a Holy Ghost party and free barbecue. From the depths of my heart, I want to thank each and every speaker that allowed the Lord to use them to bring a mighty word of God for such a time as this. A special thanks to my husband Randy Johnson and my daughter Tracy Lee as they were a big part in participating in the revival, Pastor Mozell & A.T. Sparks that allowed us to put the tent up on their property and was faithfully present every night, Apostle Ray C. Felder, as always allowing the Lord to use him and the anointing upon him, Apostle Gary Young & First lady Young and Gary Jr. of The Bread House for being not only speakers but rams in a bush, Minister Cassandra Kitchen and family willing workers and hearts of gold, Pastor Johnson and Jarvis Johnson also willing workers, Pastor Leonard & Cynthia Ventress their dedication, love and financial support, the tent crew, thanks to each of you for your time, your finances and dedication, we couldn't have done it without you. Thanks to all of you that came out and participated or just came to support us.

Saints of God we are living in perilous times, and [we need to be ready now, and not getting ready](#) for we are in spiritual war. The enemy (Satan) is on his job stealing, killing, and destroying. We as saints of God have to get in the fight and take back what the enemy has stolen from us. We have to take back our families, our children, our joy, our peace, our love, that has waxed cold because; Mat 24:12 (kjv), iniquity shall abound. Saints of God let's get booted up and dressed in the full armor of God, Eph 6:11(kjv), which is our protection; and arm ourselves with the weapons of mass destruction, 2Cor 10:4 (kjv), that God has given us. Our weapons are not carnal but mighty to the pulling down of strong holds. Some of our weapons of mass destruction- prayer, (getting on the threshing floor), Salvation, (plead the blood of Jesus), calling on the name of Jesus, fasting, unwavering faith. Jesus told Peter "Upon this rock I will build my church and the gates of hell SHALL NOT prevail against it. **We are the Church.** Jesus has already won the victory. Satan is trying to get us to believe that we are defeated. But we are more than conquerors in Christ Jesus, no weapon formed against us shall prosper. For greater is He that is in us than he that is in the world. So what time is it? It's time to cut the devil's head off and put Hell out of business. Put the weapons to use putting the enemy on the run. Come out of the four walls to where the fight is really going on. I pray that you will either meet me there or beat me there. I pray that we will understand what time we are living in.

This Means War Satan! We are coming to get back everything you stole from us.

Hope for all in Jesus says  and may the Lord bless you mightily.
