“Bringing Hope and Life to the Prisoners”

NEWSLETTER FOR MARCH 2023

From the desk of:

CEO / Chaplain Shelia Johnson

I want to bless God and take this time to thank everyone that participated in the February One Month Fast. I will remind you that though you may not have seen or received an answer while fasting and praying, just know that we serve a mighty God that answers prayers and is never late but He's always on time. We may not have gotten an answer in a natural sense, but who knows what God may have manifested in the spiritual realm. It's all in Gods' timing. Please don't ever stop praying and by all means fast at your discretion. Prayer changes people and when people change things change. There's a great need for a change in the things of this world. I pray that God blesses each one of you and your entire families.

There is no more important time to line up with God's financial system than now. In this time of financial crisis, many are in fear. They are concerned about how the struggling U.S. economy is affecting them. The thing about fear, though, is that it is selfish. It only thinks about me and mine. Fear is the opposite of faith, and it is motivated by selfishness which is the opposite of love. Yet, God's Word teaches us that we receive from him by faith and that our faith works by love.

God's financial system works for you when you focus on the needs of others rather than your own. Matthew 6:33 teaches us to 'seek first the kingdom of God' and then 'all these things will be added to you.' Philippians 4:19 has a promise from God to meet all our needs regardless of what's going on in the economy.

God's ultimate goal for your financial life isn't that you just receive abundantly but that you give abundantly. God's plan for your life is that you be a generous giver-- someone who is so abundantly blessed that you can give abundantly for God's purposes. Jesus said in Acts 20:35 that it is better to give than to receive.

God wants you going through life experiencing the superior joy that comes from giving and that is one of the reasons why He wants to get abundance to you.

“The teaching of the wise is a fountain of life, to turn aside from the snares of death.” Proverbs 13:14

Even more importantly, He's thinking of those who are without in this life, especially those without Him, who will benefit from your generosity.

God understands that for you to be able to give abundantly, you must receive abundantly. You must Get it to Give it! One of my desires is to get to a place financially where I can GIVE unmeasureably for God's purposes. My goal is to give abundantly, not just receive abundantly for my purposes. And when (not if) the time comes that I am receiving from Him on that level, it will be vitally important that I remember the purpose for it coming into my life.

Whatever God has given you, some of it is in your hands simply for you to give to His purposes. Remembering the purpose for the money God has given you is an important step in lining up with God's system. It's when God knows that you truly understand this principle that He will trust you with more. In this time of recession stop focusing on your financial needs and look around for someone that you can help with whatever God has placed in your hands now. Doing just that will position you to GET even more so you can GIVE more in the days to come!

"And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may abound to every good work." - 2 Corinthians 9:8 (KJV)
