NEWSLETTER FOR JULY 2023

BLESSED IS THE NATION WHO'S GOD IS THE LORD

**IF YOU EAT TONIGHT, THANK A FARMER; IF IT IS ON YOUR TABLE, THANK A TRUCKER;
IF YOU EAT IN PEACE, THANK A VETERAN**

From *CEO / Chaplain Shelia Johnson*: Dear friends and partners, these days have been and are still scorching hot days & more to come. I've heard that each year the sun gets closer to the earth. I have always said, I can't take this heat on earth, so surely, I don't want to be disobedient to the Lord and end up in eternal damnation where the “fire quenches not”. Please pay attention to the signs God is giving us and know that time is running out. God is getting His people ready for the coming back of His son Jesus. Satan is running out of time, and He knows it. We must put our faith in God and trust Him no matter what the situation is. These hot days should be a wake up as to what will transpire in the end. Wake up men and women of God and put your trust in the Lord. He is faithful and just.

Faith In God!

If you have been keeping up with current events, you know that the story told by the media is very bleak. Unemployment numbers are at an all-time high, crime is on the rise, marital relationships are deteriorating, the financial institutions and auto companies are failing, and life threatening diseases are killing millions of people...

One could find themselves depressed, panicky, stressed and overwhelmed if they allowed these reports to rule their lives. And what's unfortunate is that the church sometimes seems to be just as scared as the world. Which brings me to the question of where or in whom does your faith lay? If your faith is built on worldly institutions – then yes, you should be running to the hills fearing for your life. But if you have built your faith in God then your head should still be held high as you confidently go through each day knowing God is in control.

Now I am not foolish enough to think that we won't sometimes get discouraged and that worry may not creep up and rear its ugly head – but when those times come – we must seek God maybe like we have never done before to get through those times. God knows that our faith will sometimes be shaken up...He just wants you to take that first baby step...

“If you have faith as a mustard seed, you will say to this mountain, ‘move from here to there,’ and it will move; and nothing will be impossible for you.” Matthew 17:20

Have you seen the size of a mustard seed? It's super tiny! So don't throw in the towel because you can't seem to muster up an overwhelming amount of faith...walk in the little bit you may have...and as you continue to seek God's face and direction – your faith will continue to grow.

It's just like a flower, you have to water it and nurture it in order to cultivate it. And there is no better time than the present to start (or continue) that process. Do it and watch God honor your commitment.

MINISTRY MEETING
AUG 19TH

PRISON VISIT REPORTS

Clemens Trustee Camp Sunday, June 4, 2023 My husband, Leonard, and I (Cynthia Ventress) had the opportunity to minister to the brothers at the Clemens Trustee Camp. The Holy Spirit was in the midst. After praise and worship, I delivered the message entitled "Who is Your Friend?". We went through God's Word in the book of Acts, Chapter 9 and the story of Saul's encounter with Jesus on the road to Damascus, and his subsequent conversion. I stated that if the Lord chose Saul as his vessel, that He can choose to use any of us for His Glory. We talked about being born of the Spirit, and laying the old man down to rest. I was able to share about Brother John Earl. I shared about the naming of the ministry "Hope for All" and how Brother Robert always said that if there was hope for him, that there was hope for all. I talked about both men's characters, and how I did not ever know the "old men", but only the "new men" who had been changed by the power of God, two men who truly loved God and dedicated their lives to Him. And I told the brothers in attendance that if God had not already changed them, that He wants to, He wants for them to be born again.

This day marked twenty-four years of the anniversary of the day that Leonard and I met. I talked about the importance of choosing our friends, and how one encounter can change our lives for the good or for the bad. As much as my husband and I meeting so many years ago changed the direction of both of our lives, we were both changed all the more by our individual encounters with Jesus, and by becoming friends with Him.

I closed with John 15: 14- 15 where Jesus says "You are my friends if you do whatsoever I command you. Henceforth I call you not servants; for the servant does not know what his lord does, but I have called you friends; for all things that I have heard of my Father I have made known unto you."

We are so thankful that Jesus calls us friends and that He demonstrated His Love by laying down His life for us. In Jesus, **Cynthia Ventress**

Pam Lychner

On Sunday 6- 11-2023, Jason Perez and Mike Woerner visited the Pam Lychner unit. The inmate leadership led the group of 64 men in praise and worship. The ministry was introduced by Mike Woerner who also gave a 10 minute word of encouragement. Then Jason Perez gave the message "Be who God created you to be." Our visit was well received. Regards, **Mike Woerner**

Wayne Scott, (Jester IV) On June 25th ministers Jason Perez and Dan Groves came to this unit and facilitated church service with about 15 men. Dan Groves gave the message relating to maintaining continual Christian growth. Jason also shared from scripture. Afterward some men came forward for prayer for strength to continue following Jesus on the outside, and others for their families. Blessing In Christ, **Dan Groves**

Ramsey Trustee Camp, On 25th of June, Ministers Mike Woerner and Shelia Mitchell went into this camp and enjoyed worship with their outstanding praise team led by "Happy Feet", Edward, and Mike shared the Word of God with them. Shelia also shared a word of exhortation and encouragement.

IF YOU ARE INTERESTED IN BEING A PART OF THE PRISON MINISTRY IN ANY CAPACITY, Please contact: Chaplain Shelia Johnson 281-467-2410 **We need an Event Planner to organize for about 4 events / year.**

Editor's note:

When we ask our Heavenly Father in Jesus Name, believing we have what we asked for, it is one of the highest forms of worship. The Gospel tells us He loves us and wants only the very best for us, His children. When we believe, we ask, confident of His overwhelming love.

LIVE BOLD IN CHRIST

Please don't forget to continue to help us by sowing which keeps us going to the prison. Your seed sown helps us to go sow seeds where the harvest is plentiful (the prisons) and the laborers are few. Pray that the Lord will send more laborers; maybe even you. Thank you and may the Lord continue to bless you and shine upon you dearly.

Here is a note from one of our faithful partners:

An excerpt from: Poems for the heart of God.
By Darrell Hausmann,

Heb. 4:12 The Word of God is living and powerful, ... and is a discerner of the thoughts and intents of the heart.

Search my heart today, O Lord, and call me to intent;

If there be impurity, lead me to repent;

For I want only to stand before You

pure;

to walk a path of righteousness, straight and sure.

May I be acceptable, may my walk be right;

And may my life give honor and be precious in Your sight.
